

# Speech Class Assistance

## Public Speaking/Junior Speech

### ***PLEASE PRINT, COMPLETE and BRING TO FIRST CLASS***

Some parental participation is essential for the success of this class. Parents are needed for providing feedback (and a friendly, encouraging face) for students as they practice in small groups each week. We will provide a simple feedback form for your use. We do not need you to stay each week (though you are welcome to stay as often as you would like), ideally we would like each family to provide someone to give feedback **four times** during each 12 week class. We ask that you complete the attached assistance form and bring it to the first class so that we can provide you with a schedule to know when you will be needed. If a parent is not available, grandparents, graduated siblings, other friendly adults are welcome to take your place.

Please indicate the number of times you would like to stay to provide feedback and then mark the weeks you would be available if needed. You may not be asked to provide feedback all of the weeks marked. Everyone will receive a schedule so that you will know when you are needed.
