Meet the Coach Team:

Abigail Sefzik competed in NCFCA for six years, and qualified to five National Championships. Nationally, she ranked 4th and 11th in Team Policy, 8th in Informative, and was the four-time regional champion in four speech events. She also coached with EPIC and is currently pursuing a Media and Communications degree from Trinity Western University in BC.

James and Tyler Dunning competed in NCFCA for five years, participating in Team Policy Debate, Moot Court, and eight speech events. During that time, James and Tyler qualified to four National Championships. This fall, they will be attending Patrick Henry College in Virginia, where they will continue to participate in debate.

Arthur Uppiano competed in NCFCA for six years, qualifying for two National Championships in TP, Moot Court and various speech events. The first four years were formative as he focused on research, writing and arguing both public policy and philosophical values. Arthur coached this past year with the Vector Club. He is currently pursuing an Economics degree through WA State University and plans to attend law school.

**Teams will vary per camp location*
